Dear Santa,

I have two younger brothers named Luis Angle, and Giovanni and my name is Francisco. Giovanni is the youngest, he's 4 years old, My brother Luis, is 8 years old and I'm only 15 years old. We live at [REDACTED] homes at [REDACTED]. My family right now are extremely out of money and probably wouldn't give me and my brothers nothing for Christmas. I work with my dad over the weekends just to get money to give it to my mother. My mom was at the hospital and would not be able to work until next year on January and she won't have money to help my father pay the rent, bills he needs to pay that are almost going to be expire, and that not what I was expecting from my parents life. For Christmas I would like an iPod touch 6th generation that has 64 gb or a Apple Watch Series 2 in black. My brother Giovanni, would like a transformer dinosaur that transforms. My brother Luis would like a big race track of Hot Wheels because he has a collection of Hot Wheels cars. All I wish for you to help my father to get money to finish the bills he needs to pay. And I wish you to have a Merry Christmas and a Happy New Year.

Love, Francisco

Dear Santa,

My name is Tiffany, I am a young mother of two. My husband and I are both college students getting ready to graduate this incoming spring. We were just blessed with our own apartment after being Homeless for 2 years. We have nearly nothing in our home, we would love blankets to sleep on, because we no beds.

If that's too much the basic food and clothing would be a big blessings.

Dear Santa & helpers

I am writing this letter cause I need help. I am a single mother my daughter is 8 her birthday is Dec 10 she will be 9 and my son turned 11 they are hoping that Santa brings them what they wish for but that's why I need your help I am having a very hard time I lost my job and it's been tough for myself. And getting closer to Christmas I know it won't be the same and my kids are looking forward to getting gifts but let's see how that goes. So I am asking for your help hope you can help in some way. I want to see my kids happy cause they believe in Santa and I told them Santa been watching them. My kids been so good and get ~~the~~ good grades. They always wish for a Disney trip but it cost too much and even now I really can't afford it. They also really need a laptop for each cause the one we had got messed up and we have to go to the library everyday to do homework and we get home late cause we have to travel by bus or walking cause I been trying to collect for a car of at least 1000 to get around or give it to grandma for a downpayment so she can get a new van she likes the Toyota Sienna and she will get us around. Or they want a playstation 4 for my son my daughter wants the Barbie dreamhouse or Samsung tablets because they can also use that for homework.

But hopefully this comes true and somebody can help us out. I want to know if I can get help by giving me a giftcard <sup>500</sup> to buy us all clothes and I been wanting a good professional camera to start taking pictures to get a little extra money. I am a nurse but I need to get a license for phlebotomy which is 1000 to 1700 which is too much for my right now so with that I can get back to work. But as long as I have what my kids wish more or also the giftcard for clothes I am happy I hope I am not asking for much hope someone can help us out ~~it~~ it would be really appreciated. I really need help if not they will have the ~~worst~~ worst holidays ever

Love  
Maria

November 18, 2016

Dear Santa,

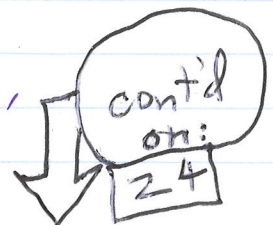

I am a college student (just started this year!) writing this letter in hopes that this year one of my wishes would come true for Christmas. I come from a family of 7 and I live with my mom. The past year has been difficult sending myself off to college and worrying about whether or not my mom can afford to pay rent and my college tuition on time, so I had to take out student loans. I do not have the heart to ask my mom for money when I need to buy myself groceries or school supplies & clothing (since I live 12 hours away from her on campus). So this year, Santa, I am wishing for any Target or Amazon or Visa Gift card that I can use to pay for the groceries & supplies I need in my dorm room. I will be grateful for anything that can help me & my mom's financial situation.

Aside from this, Santa, I have been having several insecurities about my acne. It has gotten worse and I have become less & less confident in the way I look. It's gotten to the point where I have to start covering it up with makeup which I don't like using. I am <sup>only</sup> aware of Proactive because of its popularity. I've tried Aveeno, Neutrogena, Clear & Clear, almost ALL acne cleansing brands except for the expensive ones because of me & my family's tight budget. If you know of any great acne brands aside from the ones you can find from the drug store, I will forever be grateful. Anything that can help my acne problem.

With this being said, thank you for picking up my letter, Santa. I pray you would have a Merry Merry Christmas and a blessed rest of 2016. God bless!

Sincerely,

Vhea ~~W~~

Dear Santa,

Merry Christmas! Every year I write a letter, I write one for myself and one for someone I love.

This year, I am writing for my mom. Being a single mother of 4, my mom has to work 2 jobs and never goes shopping for herself despite the shopaholic that she used to be before she had kids. She is always putting our needs before hers, and hasn't bought a new jacket or pair of underwear in a long time. Santa, this year I want to give my mom gift cards to some of her favorite stores so she can go shopping for herself for once. She has always been a Banana Republic & GAP fan. However, due to our financial struggles and me being in college, I can't afford to get those for her. Please help me fulfill a wish I want to give to my mom, Santa. If this is too much, I can understand. If anything, our family hasn't been able to vacuum our rooms for the past 6 months because of our broken vacuum. We've been looking for a good, lightweight vacuum in our price range but haven't been able to find one. Santa, this Christmas and coming new year would you help us start off the year with a new vacuum and clean rooms? Thank you Santa, I will be grateful for anything. Have a blessed Christmas!
